

Hi Sir,

I am based in Kaoshiung Taiwan, looking new job opportunities here in Taiwan.

With 14 yrs. experience as Product Test engineer in Product Final, Wafer Sort Test process, NPI qualification, production bring up.

With 13yrs experience as Technical support and Production Operation manager resident in Taiwan, supervise different OSAT for Product test, Wafer Sort and Assembly/WLSCP production operation represent by France company.

I can work independently, lead to drive different OSAT.

Sincerely,

Sam
