

Hello,

I hope this message finds you well. I was wondering if you're going to need technicians in the future. I am hoping you will skilled technicians, and I am excited about the possibility of contributing to your team.

I have been at Ronler Acres for six years and believe there is potential for improvement. I have over 30 years of manufacturing experience, and I am eager to fully exercise my skills. I have expertise in mechanical technologies, and I am interested in working with like-minded people.

I would love to discuss how my experience could benefit your team. You can reach me at 505-416-6228 or PMD505@live.com to discuss this further.

Thank you for considering my inquiry.

Best regards,

Pete DeLeewerk
