

Hi,

I hope this email finds you well.

I am Neha, and I am currently pursuing an MS in Computer Engineering at Texas A&M University, focusing on Digital VLSI. I came across the internship opportunity in your team for summer 2025 and am very interested in applying for an internship at Ahead Computing.

I have attached my resume for your review. I would greatly appreciate the opportunity to discuss how my background, skills, and enthusiasm align with the company.

Thank you for considering my application. I look forward to your response.

Thank you,

Neha
