

Hi Team,

Congratulations on your successful seed round and the exciting introduction of your breakthrough microprocessor architecture - I can't wait to see how it will shape the future of general-purpose computing!

I'm reaching out to introduce you to Amalia Group, a consultancy specializing in marketing and communications recognized for driving meaningful brand connections within pop-culture industries. With a proven track record of ideation and execution, we assist brands like AheadComputing forge deep connections with audiences, turning engagement into long-lasting relationships.

Our expertise spans:

- * PR through a creative lens
- * New Media Engagement
- * Guerilla and Experiential Marketing
- * Cultural Programming
- * Socially native content creation for brands and individuals
- * Partnerships
- * Brand auditing
- * Community building
- * Casting

Lately, we have effectively partnered with brands like Interscope Records, Disney, The Getty Museum, etc. in launching high-profile events and campaigns that resonate culturally while achieving tangible business results.

Can I send you our capabilities deck?

Regards,

Susan Brown
