

Hi Ahead Computing

I am Swapnil Bhole, a masters student at University of Michigan Ann Arbor, dept of Electrical and Computer Engineering. With a strong background in the embedded, Soc domain, and having taken Computer architecture (EECS 470) and Parallel Computer Architecture (EECS 570) from UMich, I want to contribute to Ahead Computing's focus area: RISC-V CPU core IP with breakthrough performance. I am looking for a summer internship. I am interested in working on RISC Vbranch predictors, and memory systems.

Attaching my resume for your reference.
