

Hello,

My name is Oliver. I had the opportunity to attend the networking session last week in Guadalajara, invited by Leonel, where I met Debbie and Alon. I found the potential of the project you are developing very interesting, and I would love to be part of its journey.

Alon mentioned that I could send my CV to discuss a position that might be a good match for my profile. I am attaching it here and look forward to hearing from you.

Best regards,

Thank you!

Got it!
