

Hi! I am looking forward to being working with you! My value has been all about passion and pursuing dreams. I have been an Assistant HR over at Blue Star donuts for over a year now and I feel like I've been fitting into my roles very well. I've helped other departments with training, I've spear headed a brand-new onboarding experience, helped out with payroll, maintain high morale during high season, and offboard. I've been supporting my director of HR in all aspect of the role. When I'm in the role of HR, my goals are to have high morale but also to have the culture of the company be front facing and feel very welcomed! If you have any questions you can always contact me at xay.s.chan@gmail.com or (503)432-3484

Good afternoon! I want to reach out to see if I can have any kind of update. Thank you very much for taking the time! Looking forward to hearing from you, have a wonderful day !
