Good Day,

I would be interested in assisting your company by providing you the benefit of my years of experience in computer architecture on the weekends.

The following referenced Journal of the ACM paper is my "resume" (as an example of my knowledge base).

https://dl.acm.org/doi/pdf/10.1145/641808.641809

In addition I have many years relevant experience at Tektronix, Intel and Microfield Graphics and many contacts in this industry.

Regards,

Rod Steel
