Hello,

I hope you're doing well!

My name is Rutujeet Falmare, and Im a recent Master's Computer Science graduate with a strong interest in software development and building impactful products. I came across Ahead Computing and was impressed by the innovative work you're doing.

Im reaching out to ask if your team is currently hiring for Software Development Engineer (SDE) or similar developer new grad roles. Im eager to contribute to a fast-paced startup environment and grow alongside a passionate team. Ive previously worked on projects involving API's,hardware systems,web technologies,etc.. and Im always excited to learn and take on new challenges.

If there are any current or upcoming opportunities, Id love to learn more and share my resume for your consideration.

Thank you for your time, and I look forward to hearing from you!

Best regards,

Rutujeet Bhagvant Falmare
