Hi all,

my name is Rocco Salvia, I recently saw theopen position for Senior Formal Verification Engineer on your website.

I would like to know more about AheadComputing. I am happy to talk with you anytime to see if you like my professional profile and if we share common interests and goals.

About me, I have been in the domain of formal verification throughout my entire professional career.

I focused my work and my studies on the numerical analysis of floating-point computations using the state-of-the-art for model checking, SMT solvers, and symbolic BDDs.

In my attached resume, you can see the complete list of all the companies, organizations, and universities I have worked for in my professional career.

Moreover, in my resume you can find my full list of publications.

I am very happy to answer any questions you might have.

Looking forward to talk with you soon.

Thanks,

-- Rocco
