Dear Official,

My name is Furkan Yigit Akyildiz, and I am located in Providence, RI. I would like to show my interest in joining to AheadComputing. Currently I work at Purdue University as aDesign Verification Engineer. Based on my experience in RTL design and verification, I could be a good fit.

Resume is attached.

FYI: I do not require sponsorship to work in the US.

Best regards,

Furkan Yigit Akyildiz
