Hello,

Greetings for the day,

I am Hari Shashank Singh Thakur , with 1.5 years of experience in the Digital Design Verification domain. I am currently looking for Full time Opportunities in Design Verification and Validation/Application/Product Engineering roles starting immediately. I am currently on an H1B visa, with 60 days remaining to land a new opportunity.

I have attached my resume to this message for your review. Would appreciate it, if you can consider/forward my application for any available open positions I will be gratefulto you.

Best Regards,

Hari Shashank Singh Thakur
